

# **Schools Mapping for Southampton.**

**Churches in Southampton and the surrounding area were sent a survey by email.**

**Surveys requested information about which schools the church had contact with and the type of contacts.**

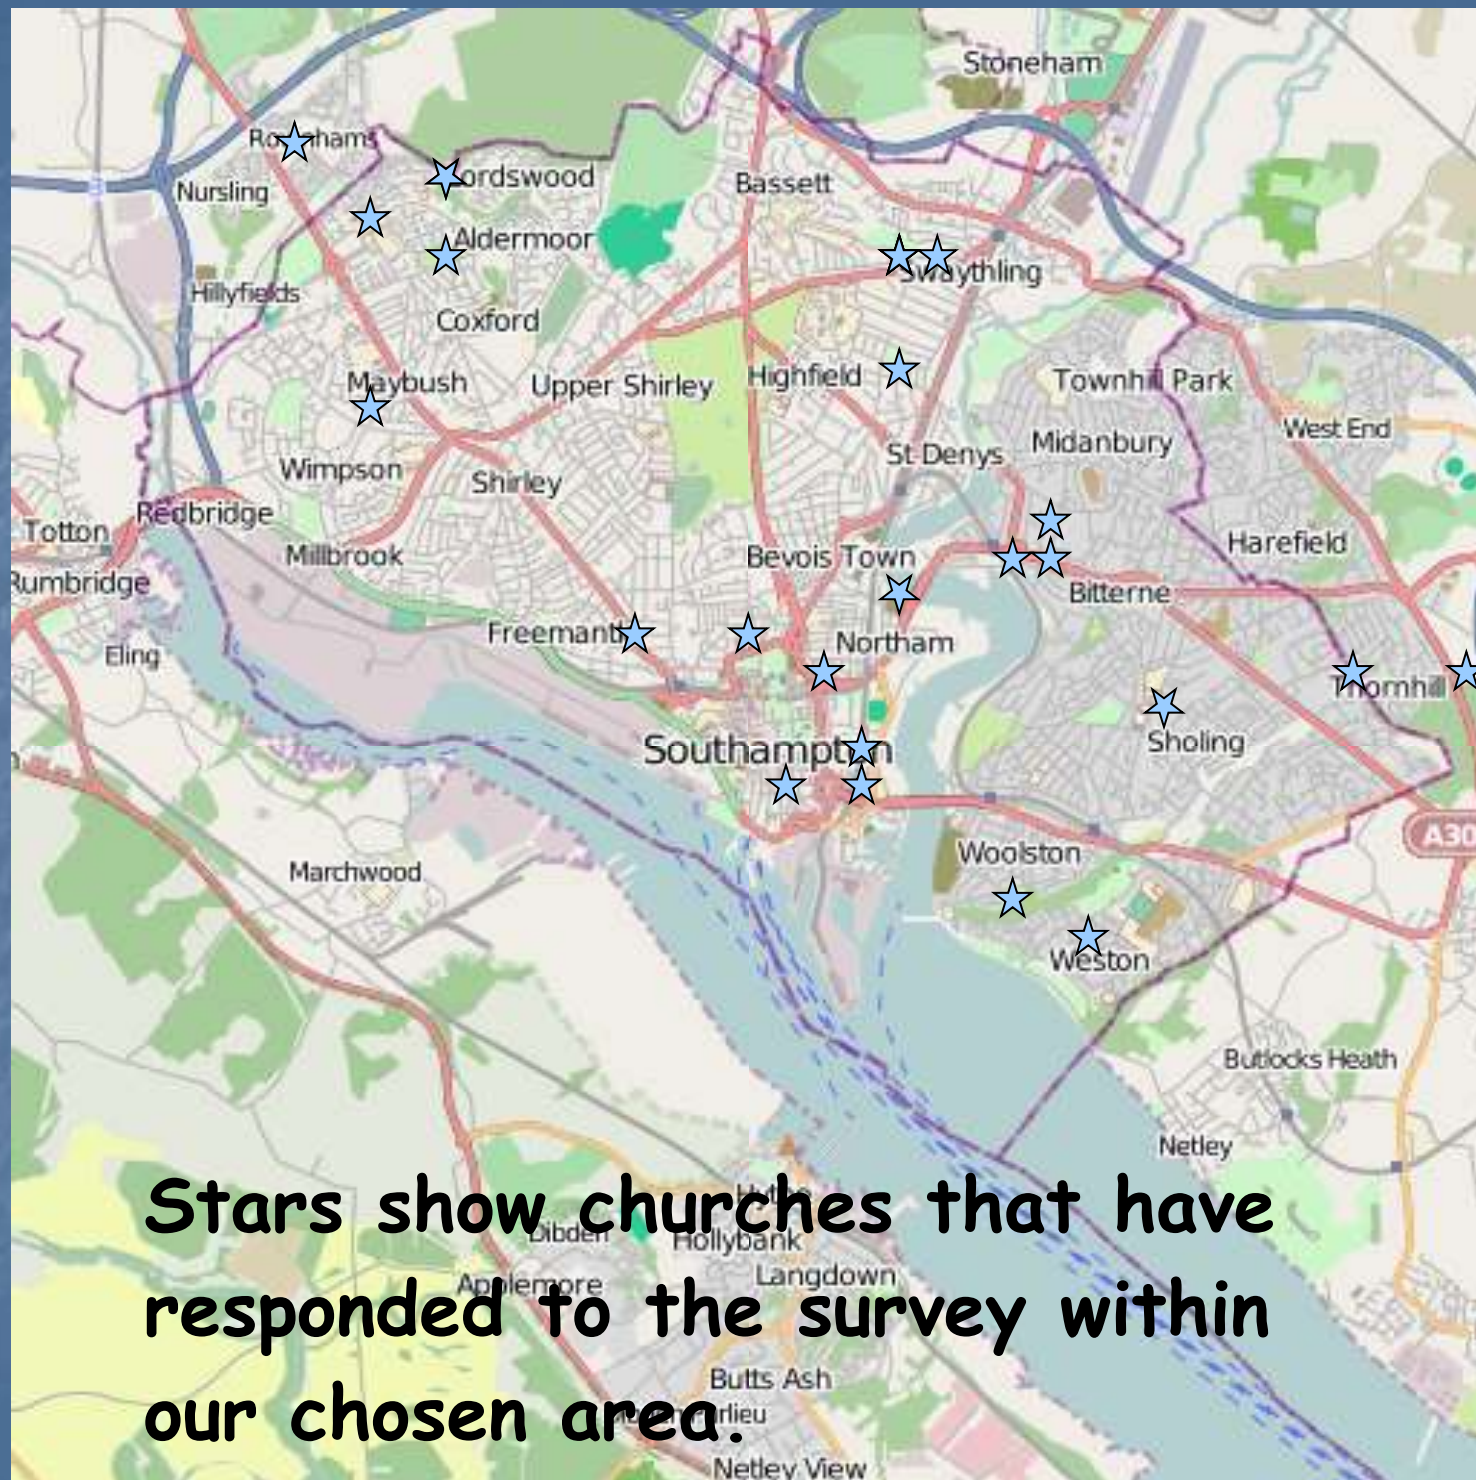

**The information was collated. This is about to be presented to you in the form of a map showing which schools we have contacts with and some handouts showing types of access.**

**Map showing area we would like to concentrate on although We do have contacts in some areas outside this area.**

# All schools in Southampton.

**Schools we have access to are in Green or Orange. For Central Southampton (in box) see next slide**

**Schools we have access to are in Black or Orange.**

# Handouts

1. The schools marked with green dot have assemblies and RE lessons and or children's clubs run by Churches or SCM
2. Those marked with orange have some church input such as occasional assemblies and governors.
3. Those left blank have no known links to their local church, YMCA or SCM.

# Schools in Southampton

- There are 79 schools in Southampton, consisting of:
  - one nursery school
  - 21 infant schools
  - 16 junior schools
  - 24 primary schools (ages four - 11)
  - 10 secondary schools
  - two academies
  - five special schools

# Assessment

- 55 out of 79 within the Southampton City Council have some known access by a Christian organisation.
- 30 of those have green or orange access.
- There may be some others that we do not know about as not all churches responded to the survey.
- There are also some Public Schools not included in these figures that SCM go into.

# What to do next.

- Survey the remaining schools to ask if they have any contact from Christian organisations and what kind of contact.
- Ask if they would like to be contacted by us telling them what we could offer to them.

# Further Steps?
